

## Lessons Learned From Family Game Night

Sometimes there are things in your faith you need to work out on your own. They are between you and \_\_\_\_\_.

There will be seasons and times in each of our lives where we might feel alone. Or times where we don't have anyone else to turn to. But know that \_\_\_\_\_.

Sometimes when you think you have it all figured out is when you realize just how far away you are from the truth. This is especially true when it comes to \_\_\_\_\_. Our faith is not a game. It is something that takes a \_\_\_\_\_ to understand fully.

At some points in our lives we just need to show up and be at the church. At other points we need to step up and share in \_\_\_\_\_ of different areas. Just as there are \_\_\_\_\_ during the year there are also \_\_\_\_\_ within each of our lives where God calls us to \_\_\_\_\_ things.

There are some games and times in our lives where we need a big support system and a \_\_\_\_\_ to help us accomplish our goal. Jesus had a team – he had his \_\_\_\_\_.

Even if you don't realize it – we are all on a \_\_\_\_\_ here. We are on Cypress Lake United Methodist Church's team. And when we're on this team that means we all have a \_\_\_\_\_! Everybody needs to be involved in some way!
